

# Letter to the Editor

## Acknowledgement of Contributor to Manuscript

William F. Waggoner, DDS, MS

We were very pleased to see the publication of our paper “Parental Satisfaction with Preveneered Stainless Steel Crowns for Primary Anterior Teeth” in the Nov/Dec, 2007 issue of *Pediatric Dentistry*. We were dismayed, however, that one of our authors’ names had inadvertently been left off of the final submitted manuscript. We would like to acknowledge the significant contribution of Dr. Jeanette MacLean to this project.

While we understand that *Pediatric Dentistry* is not able to add an author after publication of a paper, we wanted to publicly recognize her as an author and an invaluable contributor to the project.

Sincerely,

Cariann Champagne, DDS
